

Harmony Harvest 2022 with Jordan Travis!

SAVE THE DATE!

Area 1's famous Fall Education Event, Harmony Harvest, will be returning as an

IN-PERSON Area 1 Event on **Saturday, October 1st!**

After a two-year delay, we're beyond thrilled to have world-class director and instructor [Jordan Travis](#) as our guest coach for this event. Jordan will be helping us build on our barbershop singing skills using the song [Brand New Shoes](#), an original (contestable) up-tune composed and arranged by [Donya Metzger](#).

Stay tuned for more information coming soon - including info about a limited number of rooms available at a special rate to Area 1 members at the Rodd Moncton hotel on Friday, September 30th.

In Harmony,

Kelly Mullaly

Area 1 Education Coordinator
